Business Owner

To Whom It May Concern,

We are writing to you today concerning the Taylor County Chamber of Commerce and a new annual festival we will be hosting beginning this year on Saturday, November 2, 2019. The Chamber serves as an advocate for area business. We are a non-profit organization controlled locally and are not subject to the policies or direction of the state or national Chambers, or any governmental body. We are primarily funded by our members based on their willingness to invest in their community and its future. We work hard to use our members dollars wisely to market our community to new businesses and industries, encourage expansion of existing business and industry, draw tourism to our county, conduct seminars and workshops to the business community, serve as a business information resource to large and small sizes of businesses, promote local business and industries and sponsor annual community events. We also work with the local school system to encourage kids to stay in school and graduate while showing them many of the various types of careers that await them just to name a few things we do. As a way to promote the tourism industry and encourage more traffic and visitors to Taylor County, GA, we want to present the best Taylor Made Fall Festival possible.

I am writing to you today on behalf of the Chamber and the Taylor Made Fall Festival to request a sponsorship donation to help our community with this awesome fun family oriented event. Please take a few minutes and read the attached Sponsor Agreement. We would greatly appreciate you and your business with any donation you can make toward this event. If you have any questions or need further information, please contact us at (478)-862-9622 or email us at [tcdev@pstel.net](mailto:tcdev@pstel.net).

On behalf of the Chamber members and our community, Thank You for your consideration.

Sincerely and Best Regards,

Taylor Made Fall Festival Committee Members
